ASPIRE

ASPIRE 2009, the annual management events has been initiated with the moot intention of promoting various educational activities which are entirely coordinated by the student body under the guidance of the faculty. It will serve as pedestal for students to exhibit their skills and talent, taking them beyond the boundaries of bookish knowledge!

We see Aspire 2009 blossoming into a mega event encompassing both, technical contents and festive events involving students from all management backgrounds.

Aspire will live up to its name, the whole atmosphere being charged with zeal and élan, a conglomeration of the studious, the free spirited, the dreamers and the thinkers. An eclectic blend of such sorts simply scintillates and invigorates, involving everyone around.

And If you think ASPIRE is about serious looking bespectacled nerds lost in some weird world that only they can comprehend, think again...! It has something for everyone – Management games, Dance, Fashion, Spot competition and much more. An event which will more than live up to its name!

*This year the **theme** for Aspire is **Pirates**:*

Ahoy! All spirited comrades, we the friendly Pirates of Neville Wadia is hosting for the second time aspire the annual management festival

So all you corsairs come anchor your ship at Neville Wadia on the 24th & 25th of February 2009.
